

Southern Animal Rescue Association

SARA

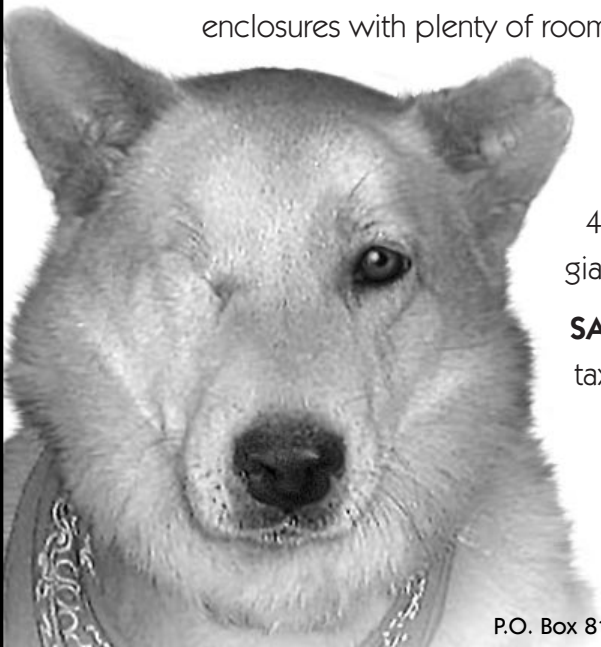

Unconditional life.

Southern Animal Rescue Association, SARA, is a no-kill, non-profit animal sanctuary in Texas dedicated to providing a permanent quality home to all dogs and cats that come to us, regardless of special health needs or temperament.

SARA seeks quality loving homes outside the sanctuary for all its animals, but when adoption is not possible or appropriate, for whatever reason, the animals live for the duration of their natural lives in the company of other animals at our facility. All dogs and cats live in spacious communal enclosures with plenty of room for exercise and play.

SARA is located in the center of 581 wooded acres, which also serves as a refuge for wildlife, and currently supports 454 dogs, 132 cats, 2 pot bellied pigs, 3 giant domestic hogs and one baby pig!

SARA is supported entirely through your tax-deductible donations.
